COMMONWEALTH OF PENNSYLVANIA,
DEPARTMENT OF AGRICULTURE,
HARRISBURG, PA , June 15, 1896.

HON. THOMAS J. EDGE, *Secretary of Agriculture* :

Sir: I have the honor to transmit herewith, a list of the creameries in Pennsylvania, names and addresses of the dairy and food commissioners of the several states, State dairy associations, and a compilation of certain laws relating to the production, manufacture and sale of dairy products within this Commonwealth.

The rapidly growing importance and wealth of the dairying interests, and the frequent requests from correspondents for information of this character, have prompted the preparation of the accompanying bulletin.

Very respectfully,

Your obedient servant,

OLIVER D. SCHOCK,
Chief Clerk.

RELATING TO THE MANUFACTURE AND SALE OF ADULTERATED DAIRY PRODUCTS, ETC.

AN ACT

For the protection of the public health, and to prevent adulteration of dairy products and fraud in the sale thereof.

Section 1. *Be it enacted, &c.*, That no person, firm, or corporate body shall manufacture out of any oleaginous substance or any compound of the same, other than that produced from unadulterated milk or of cream from the same, any article designed to take the place of butter or cheese produced from pure, unadulterated milk, or cream from the same, or of any imitation or adulterated butter or cheese, nor shall sell or offer for sale, or have in his, her or their possession with intent to sell the same as an article of food.

Section 2. Every sale of such article or substance, which is prohibited by the first section of this act, made after this act shall take effect, is hereby declared to be unlawful and void, and no action shall be maintained in any of the courts of this State to recover upon any contract for the sale of any such article or substance.

Section 3. (*As amended by the Act of June 26, 1895.*) Every person, firm or corporate body who shall manufacture, sell or offer or expose for sale, or have in his, her or their possession, with intent to sell, any substance, the manufacture and sale of which is prohibited by the first section of this act, shall, for every such offense, forfeit and pay the sum of one hundred dollars, which shall be recoverable, with costs, by any person suing in the name of the Commonwealth, as debts of like amount are by law recoverable, one-half of which sum when so received shall be paid to the proper county treasurer for the use of the county in which the suit is brought, and the other half shall be paid to the Dairy and Food Commissioner, or his agent, and by him covered into the State Treasury, to be kept as a fund, separate and apart, for the use of the Department of Agriculture for the enforcement of this act, and to be drawn out upon warrants approved and signed by the Secretary of Agriculture and the Auditor General.

Section 4. Every person who violates the provisions of the first section of this act, shall be deemed guilty of a misdemeanor, and upon conviction, shall be punished by a fine of not less than one hundred dollars, nor more than three hundred, or by imprisonment in the county jail, for not less than ten nor more than thirty days, or both such fine and imprisonment for the first offense, and imprisonment for one year for every subsequent offense.

Section 5. It shall be the duty of constables of the several cities, boroughs, wards and townships of this Commonwealth, to make quarterly reports under oath to the courts of quarter sessions of all violations of any of the provisions of this act which may come or be brought to their notice, and it shall be the duty of the judges of the said courts to see that the said returns are made regularly and faithfully.

Section 6. This act shall take effect on the first day of July, one thousand eight hundred and eighty-five.

Section 7. All acts or parts of acts inconsistent with the provisions of this act are hereby repealed.

Approved—The 21st day of May, A. D. 1885.

AN ACT

To prohibit the adulteration of milk by the addition of so-called preservelines.

Section I. *Be it enacted, &c.,* That the sale, or offering for sale, of milk for human consumption in this Commonwealth, to which has been added boracic acid salt, boracic acid, salicylic acid, salicylate of soda or any other acid, drug, compound or substance shall be a misdemeanor and punishable by a fine of not more than one hundred dollars, or an imprisonment not exceeding three months, or both, or either, at the discretion of the court.

Approved—The 26th day of June, A. D. 1895.

AN ACT

To prevent the adulteration of, and the traffic in, impure and unwholesome milk in cities of the second and third class.

Section 1. *Be it enacted, &c.,* That in cities of the second and third classes, whoever by himself or by his servant or agent, or as the servant or agent of any other person, sells, exchanges, or delivers,

or has in his custody or possession with intent to sell or exchange, or exposes or offers for sale or exchange, adulterated milk, or milk to which water or any foreign substance has been added, or milk produced from cows fed upon any substance in a state of putrefaction, or from sick or diseased cows, shall, for such offense, be punished by a fine of not less than twenty, nor more than one hundred dollars.

Section 2. Whoever, by himself or by his servant, or agent, or as the servant or agent of any other person, sells, exchanges, or delivers, or has in his custody or possession, with intent to sell or exchange, or exposes or offers for sale as pure milk, any milk from which the cream or any part thereof has been removed shall, for such offense, be punished by the penalty provided in the preceding section.

Section 3. No dealer in milk and no servant or agent of such a dealer, shall sell, exchange or deliver, or have in his custody or possession, with intent to sell, exchange or deliver, milk from which the cream or any part thereof has been removed, unless in a conspicuous place above the centre of the outside of every vessel, can or package, from or in which such milk is sold the words "skimmed milk" are distinctly painted in letters not less than one inch in length.

Whoever violates the provisions of this section shall, for such offense, be punished by the penalty provided in section one of this act.

Section 4. If the milk mentioned in sections one and two of this act is shown, upon analysis, to contain more than eighty-seven and fifty one-hundredths per centum of watery fluid, and to contain less than twelve and fifty one-hundredths per centum of milk solids, and less fat than three per centum, and if the specific gravity at sixty degrees Fahrenheit is not between one and twenty-nine one-thousandths to one and thirty-three one-thousandths, it shall be deemed to be adulterated.

Section 5. If the skim milk mentioned in section three of this act, is shown, upon analysis, to contain less than six per centum of cream by volume, and less than two and five-tenths per centum of fat by weight, and if the specific gravity at sixty degrees Fahrenheit, is not between one and thirty-two thousandth to one and thirty-seven thousandths, it shall be deemed to be adulterated.

Section 6. Whenever the inspector of milk has reason to believe that any milk found by him is adulterated, he shall take specimens thereof and test the same with such instrument or instruments as are used for the purpose, and if the result of such test indicates that the milk has been adulterated or deprived of its cream, or any part thereof, the same shall be *prima facie* evidence of such adulteration in prosecutions under this act. If the said inspector shall deem it

necessary, he shall cause such milk to be analyzed, the result of such analysis he shall record and keep as evidence in prosecutions under this act. The expense of such analysis, not exceeding fifteen dollars in any one case, may be included in the costs of such prosecutions.

Section 7. It shall be the duty of the inspector of milk to commence proceedings in the name of the Board of Health for any violations of the provisions of this act, from his own knowledge, or on the information of any person giving satisfactory evidence to him of such violations before any mayor, deputy mayor, or alderman of said cities.

The recovery of fines or penalties imposed and inflicted on any person by the provisions of this act, shall be for the use of said Board of Health, and upon non-payment of the fines or penalties imposed and inflicted as aforesaid, such person shall be committed to the county jail for a period not exceeding thirty days.

Section 8. That in addition to the fines mentioned in the foregoing sections of this act, any person or persons violating the same, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be liable to a fine of not less than fifty, nor more than one hundred dollars, or by imprisonment in the county jail for not less than ten, nor more than thirty days, or both or either at the discretion of the court.

Section 9. All laws and parts of laws inconsistent herewith be and the same are hereby repealed.

Approved—The 7th day of July, A. D. 1885.

AN ACT

To provide against the adulteration of food and providing for the enforcement thereof.

Section 1. *Be it enacted, &c.*, That no person shall, within this State, manufacture for sale, offer for sale or sell any article of food which is adulterated within the meaning of this act.

Section 2. The term "food," as used herein, shall include all articles used for food or drink by man, whether simple, mixed or compound.

Section 3. An article shall be deemed to be adulterated within the meaning of this act:

(a). In the case of food: (1). If any substance or substances have been mixed with it so as to lower or depreciate or injuriously affect its quality, strength or purity. (2). If any inferior or cheaper substance or substances have been substituted wholly or in part for it. (3). If any valuable or necessary constituent or ingredient has been

wholly or in part abstracted from it. (4). If it is an imitation of or is sold under the name of another article. (5). If it consists wholly or in part of a diseased, decomposed, putrid, infected, tainted or rotten animal or vegetable substance or article, whether manufactured or not—*or in case of milk, if it is the produce of a diseased animal* (6). If it is colored, coated, polished or powdered, whereby damage or inferiority is concealed, or if by any means it is made to appear better or of greater value than it really is. (7). If it contains any added substance or ingredient which is poisonous or injurious to health: *Provided*, That the provisions of this act shall not apply to mixtures or compounds recognized as ordinary articles or ingredients of articles of food, if each and every package sold or offered for sale be distinctly labeled as mixtures or compounds, and are not injurious to health.

Section 4. Every person manufacturing, offering or exposing for sale or delivering to a purchaser any article of food included in the provisions of this act shall furnish to any person interested or demanding the same, who shall apply to him for the purpose and shall tender him the value of the same, a sample sufficient for the analysis of any such article of food which is in his possession.

Section 5. Whoever refuses to comply, upon demand, with the requirements of section four, and whoever violates any of the provisions of this act, shall be guilty of a misdemeanor and upon conviction, shall be fined not exceeding one hundred nor less than fifty dollars, or imprisoned not exceeding ninety nor less than thirty days, or both, and any person found guilty of manufacturing, offering for sale or selling any adulterated article of food under the provisions of this act shall be adjudged to pay, in addition to the penalties herein provided for, all the necessary costs and expenses incurred in inspecting and analyzing such adulterated articles of which said person may have been found guilty of manufacturing, selling, or offering for sale: *Provided*, That all penalties and costs for the violation of the provisions of this act shall be paid to the Dairy and Food Commissioner, or his agent, and by him paid into the State Treasury, to be kept as a fund separate and apart for the use of the Department of Agriculture for the enforcement of this act, and to be drawn out upon warrant signed by the Secretary of Agriculture and the Auditor General.

Section 6. The agent of the Department of Agriculture, known as the Dairy and Food Commissioner, shall be charged with the enforcement of all the provisions of this act, and shall have the same power to enforce the provisions of this act that is given him to enforce the provisions of the act by which he receives his appointment.

Approved—June 26, 1895.

AN ACT

To establish the State Live Stock Sanitary Board of Pennsylvania, and to provide for the control and suppression of dangerous, contagious or infectious diseases of domestic animals.

Section 1. *Be it enacted, &c.*, That a board is hereby established to be known as "The State Live Stock Sanitary Board." This board shall consist of the Governor of the Commonwealth, the Secretary of Agriculture, the State Dairy and Food Commissioner and the State Veterinarian, who shall be a competent and qualified person as provided in the act entitled "An act to create a Department of Agriculture and to define its duties."

Section 2. That it shall be the duty of the State Live Stock Sanitary Board to protect the health of the domestic animals of the State, to determine and employ the most efficient and practical means for the prevention, suppression, control or eradication of dangerous, contagious or infectious diseases among the domestic animals, and for these purposes it is hereby authorized and empowered to establish, maintain, enforce and regulate such quarantine and other measures relating to the movements and care of animals and their products, the disinfection of suspected localities and articles and the destruction of animals, as it may deem necessary, and to adopt from time to time all such regulations as may be necessary and proper for carrying out the purposes of this act: *Provided, however,* In the case of any slowly contagious diseases only suspected or diseased animals shall be quarantined.

Section 3. That when it shall be deemed necessary to condemn and kill any animal or animals to prevent the further spread of disease, and an agreement cannot be made with the owners for the value thereof, three appraisers shall be appointed, one by the owner, one by the commission or its authorized agent, and the third by the two so appointed, who shall, under oath or affirmation, appraise the animal or animals, taking into consideration their actual value and condition at the time of appraisal, and such appraised price shall be paid in the same manner as other expenses under this act are provided for: *Provided,* That under such appraisalment not more than twenty-five dollars shall be paid for any infected animal of grade or common stock, and not more than fifty dollars for any infected animal of registered stock, nor more than forty dollars for any horse or mule of common or grade stock and not to exceed fifty per cent. of the appraised value of any standard bred, registered or imported horses.

Section 4. That the board or any member thereof, or any of their duly authorized agents, shall at all times have the right to enter any premises, farms, fields, pens, abattoirs, slaughter houses, buildings, cars or vessels where any domestic animal is at the time quartered, or wherever the carcass of one may be, for the purpose of examining it in any way that may be deemed necessary to determine whether they are or were the subjects of any contagious or infectious diseases.

Section 5. That any person or persons wilfully violating any of the provisions of this act or any regulation of the State Live Stock Sanitary Board, or wilfully interfering with officers appointed under this act, shall be deemed guilty of misdemeanor and shall upon conviction, be punished by a fine not exceeding one hundred dollars, or by imprisonment not exceeding one month, or both at the discretion of the court.

Section 6. That the State Live Stock Sanitary Board is hereby empowered to appoint and employ such assistants and agents and to purchase such supplies and materials as may be necessary in carrying out the provisions of this act, and the board and the members thereof are hereby empowered to administer oaths or affirmations to the appraisers appointed under this act, *that they may order and conduct such examinations into the condition of the live stock of the State in relation to contagious diseases, including the milk supplies of cities, towns, boroughs and villages, as may seem necessary, and to take proper measures to protect such milk supplies from contamination.*

Section 7. That all necessary expenses under the provisions of this act shall, after approval in writing by the Governor and the Secretary of Agriculture, be paid by the State Treasurer upon the warrant of the Auditor General in the manner now provided by law.

Section 8. That this act shall take effect June first, one thousand eight hundred and ninety-five, and all acts or parts of acts inconsistent herewith are hereby repealed.

Approved—May 21st, 1895.

In connection with the several aforesaid acts, an act approved April 20th, 1869, provides that "the councils of cities and boroughs in this Commonwealth be and the same are hereby authorized and empowered to provide for the inspection of milk, under such rules and regulations as will protect the people from adulteration and dilution of the same."

An act approved May 25th, 1878, includes the following provisions:

"Any person or persons, who shall knowingly sell or exchange, any impure, adulterated or unwholesome milk, shall be deemed guilty of a misdemeanor, and on conviction, shall be punished by a fine of not less than twenty dollars for each and every offense; and if the fine be not paid, shall be imprisoned for not less than fifteen days, or until said fine shall be paid.

"Any person who shall adulterate milk, with the view of offering the same for sale or exchange, shall be deemed guilty of a misdemeanor, and on conviction, shall be punished by a fine of not less than ten dollars for each and every offense; and if the fine be not paid, shall be imprisoned for not less than eight days, or until said fine is paid.

"Any person or persons who shall, in cities, boroughs and villages, having a population of one thousand and upwards, engage in or carry on the sale, exchange or traffic in milk, shall have the carriage or vehicle from which the same is vended, conspicuously marked with his or their names, also indicating the locality from whence said milk is obtained or where produced; and for every neglect of such marking, the person or persons so neglecting shall be subject to the penalties provided for in section second of this act.

"For marking wagons or vehicles, so as to convey the idea that said milk is produced from, or produced in, a different locality than it really is, the person or persons so offending shall be subject to a fine of fifty dollars, or imprisonment for not less than thirty days, or both, at the discretion of the court.

The addition of water or of ice to the milk, is hereby declared an adulteration; any milk obtained from animals fed on distillery waste or any substance in a state of putrefaction, is hereby declared to be impure and unwholesome."

An act creating a bureau of health in the Department of Public Safety in cities of the second class, approved June 26, 1895, includes the following provisos:

Section 14. "It shall be the duty of the bureau of health to make a complete registration of all dairies and milk depots in the said cities, and to require the names of the owners of the different dairies, or of the persons dealing in milk, to be legibly placed upon every vehicle used in the conveyance of milk, and any person or persons refusing or neglecting to give such information, or to place his or their name or names on said vehicles as aforesaid, shall be

liable to a fine of not more than twenty dollars for each and every day the same shall be omitted.

Section 15. "It shall be unlawful for any person or persons to offer for sale any milk adulterated with water or other substance, or any milk from diseased cows or goats, and if any person or persons shall violate any of the provisions of this section, he or they shall be liable to a fine of not more than fifty dollars for each and every offense so committed.

Section 16. "It shall be the duty of the said bureau of health to see that the provisions of sections fourteen and fifteen of this act are enforced, and for that purpose its officers shall have the right at all times to enter all places where milk may be sold, or stop any vehicle used in conveying the same, and cause a sample to be tested or analyzed.

Section 17. "Any person or persons who shall in any of said cities engage in or carry on the sale, exchange, or traffic in milk, shall have the carriage or vehicle from which the same is vended, conspicuously marked with his, her or their names, also designating the locality from which said milk is obtained or where produced, and for every neglect of such marking, the person or persons so neglecting shall be subject to a fine not exceeding ten dollars. For marking wagons or vehicles so as to convey the idea that said milk is procured from or produced in a different locality than it really is, the person or persons so offending shall be subject to a fine not exceeding fifty dollars. The addition of water or of ice to milk, is hereby declared an adulteration, and any milk obtained from animals fed on distillery waste or any substance in a state of putrefaction, is hereby declared to be impure and unwholesome."
